

# HOW TO CLEAN A *really gross* SHOWER DOOR

*"Nothing seems to get this shower door clean. And don't get me started on the corners and tracks..."*

*"I've tried everything."*

## TIME FOR THE **BAR KEEPERS FRIEND** FIVE-MINUTE CLEAN

- 1 Put some **BAR KEEPERS FRIEND** powder on a **wet sponge**, or use **Spray & Foam**.
- 2 **Apply** to the shower door. Don't forget the corners and inside the tracks.
- 3 **Gently scrub** with a sponge, cloth, or nylon brush.
- 4 **Let it sit** for a minute. But **NEVER** more than a minute!
- 5 **Rinse off.**
